WORK EXPERIENCE

UNSW Casual — *UNSW*

- Lead a food stall to serve 100+ over 5 hours; responsibilities included logistics, directing staff, serving customers.

Sales Consultant — *Takashimaya Department Store*

- Assisted customers discovery of premium products through 'storytelling'; maintained a sophisticated luxury service standard.
- Differentiated by understanding product selection, identifying customer needs, wants and pain points to provide personalised product recommendations.

AI Data Analyst Freelance — *Scale AI*

- Critically analysed AI-generated outputs for factual accuracy, nuance, and tone, providing data-driven feedback to improve model performance. Optimised model responses for accuracy and safety.

Warehouse Packer — *ActionCity*

- Adapted quickly to a fast-paced work culture to meet daily and weekly targets.

Tutor, Mathematics & English — *Rangitoto College*

- Weekly one on one as well as small group sessions to build foundational skills and stretch students' potential in maths.

EDUCATION

University of New South Wales — *BSc, Computer Science (Minor in Finance) | In Progress | DN WAM.*

LEADERSHIP / VOLUNTEERING

- Societies: President of The New Zealand Society.
- Volunteering: Letters of recognition for contribution to the Historical Vaughan Homestead Museum.
